

CERTIFICATE

Conformity of the Factory Production Control

2451-CPR-EN1090-2014.1495.005

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the following construction product:

Construction product Structural components and kits for steel structures

to EXC3 according to EN 1090-2

Intended use for load-bearing structures in all types of buildings

CE - marking method ZA.3.2 and ZA.3.4 acc. to EN 1090-1:2009+A1:2011

produced by or for

Manufacturer METALTECH Sp. z o.o.

ul. Spokojna 29 05-152 Czosnów

POLAND

Manufacturing plants production facilities of the manufacturer

see reverse

Confirmation This certificate attests that all provisions concerning the

assessment and verification of constancy of performance described in Annex ZA of the harmonised standard

EN 1090-1:2009+A1:2011

under system 2+ are applied, and that the factory production control fulfills all the prescribed requirements

stated therein.

Date of first issue 01.08.2014

Next

Surveillance audit 31.07.2024

Period of validityThis certificate will remain valid as long as the test methods

and/or the factory production control requirements included in the harmonised standard used to assess the performance of the declared characteristics do not change, and the product and the manufacturing conditions in the plants are not modified significantly.

Remarks:

The requirements for work tests are to be observed acc. to DIN EN 1090-2.

Mr. Adam Walendziak (VT2), born 05/04/1971, is appointed in support of the responsible welding supervisor.

This certificate certifies the qualification to weld the HARDOX material.

General Terms

- 1. This certificate is valid as long as the terms of the above technical specifications themselves or the manufacturing conditions of the essential manufacturing factory have not changed significantly.
- 2. This certificate may only be reproduced or published for advertising or other purposes than as a whole. The text of promotional material doesn't has to be in conflict with this certificate.
- In case of any doubt as to the suitability of the manufacturing factory(ies) there is the possibility reserved by the inspection authority to carry out an unexpected spot checks in the manufacturing factory paid by the manufacturer
- 4. This certificate may be withdrawn at any time with immediate effect and be amended or modified if the conditions under which it was granted have changed, or if the terms of this certificate are not met.
- 5. The following changes must be reported to the inspection authority:
 - a) New production or significant changes to essential manufacturing facilities;
 - b) Change of the welding coordinator;
 - c) inception of new welding processes, new base materials and related WPQRs (welding procedure qualification record)
 - d) new essential manufacturing facilities

The inspection authority will cause a supplementary examination in the cases cited

6. At least two months before the expiry date there shall be submitted an application to the inspection authority, when the qualification should be recertified.
